An Islamic government in a Pakistani province bordering Afghanistan has just passed legislation enforcing strict adherence to Islamic teachings. Under the new law, an Islamic watchdog will monitor the observance of Islamic values in public places.... Under the new law, according to APMA, the main duty of the cleric, called "mohtasib" – one who holds others accountable – will be to insure people respect the call to prayers, pray on time and not do any business during Friday prayers.... ## **Harry Potter Books**

“Jesus died because He was weak and stupid”; This is a quote from 6 year old Jessica Lehman of Easley, SC, after reading the HARRY POTTER BOOKS! “Hermione is my favorite, because she’s smart and has a kitty,”

The following is an email sent from the American Family Association, which is VERY disturbing, to say the least.

“Dear Christian, This is the most evil thing I have laid my eyes on in 10 years ... and no one seems to understand its threat.

(continued on page 2)

“HARRY POTTER...” (continued from page 1)

The Harry Potter books are THE NUMBER ONE selling children’s books in Barnes & Noble or Waldenbooks storefront. Go to Amazon.com and read the reviews.

Hear the touting by educators and even Christian teachers about how “It’s great to see the youth so eagerly embracing the reading experience!” Harry Potter is the creation of a former UK English teacher who promotes witchcraft and Satanism. Harry is a 13 year old ‘wizard.’ Her creation openly blasphemes Jesus and God and promotes sorcery, seeking revenge upon anyone who upsets them by giving you examples (even the sources with authors and titles) of spells, rituals, and demonic powers.

I think the problem is that parents have not reviewed the material. The name seems harmless enough...Harry Potter. But that is where it all ends. Let me give you a few quotes from some of the influenced readers themselves: “The Harry Potter books are cool, ‘cause they teach you all about magic and how you can use it to control people and get revenge on your enemies” said Hartland, WI, 10-year old Craig Nowell, a recent convert to the New Satanic Order Of The Black Circle. “I want to learn the Cruciatus Curse, to make my muggle science teacher suffer for giving me a D.” (A ‘muggle’ is an unbeliever of magic.)

Or how about the REALLY young and innocent impressionable mind of a 6 year old when asked about her favorite character. And here is dear Ashley, a 9 year old, the typical average age reader of Harry Potter: “I used to believe in what they taught us at Sunday School,” said Ashley, conjuring up

an ancient spell to summon Cerebus, the three-headed hound of hell. “But the Harry Potter books showed me that magic is real, something I can learn and use right now, and that the Bible is nothing but Boring lies.”

DOES THIS GET YOUR ATTENTION? If not, how about a quote from a High Priest of Satanism: “Harry is an absolute godsend to our cause,” said High Priest Egan of the First Church Of Satan in Salem, MA. “An organization like ours thrives on new blood, no pun intended, and we’ve had more applicants than we can handle lately. And, of course, practically all of them are virgins, which is gravy.”

(Since 1995, open applicants to Satan worship has increased from around 100,000 to now...20 MILLION children and young adults!) It makes me physically ill, people! But I think I can offer you an explanation of why this is happening. Children have been bombarded with action, adventure, thrills and scares to the point Hollywood can produce nothing new to give them the next ‘high.’ Parents have neglected to see what their children are reading and doing, and simply seem satisfied that ‘Little Johnny is interested in reading.’ AND...educators and the NEA are PUSHING this with NO WARNING as to the effects or the contents. Still not convinced? I will leave you with something to let you make up your own mind. And finally, a quote from the author herself, J.K. Rowling, describing the objections of Christian reviewers to her writings: “I think it’s absolute rubbish to protest children’s books on the grounds that they are luring children to Satan,” Rowling told a London Times reporter in a July 17 (continued on page 3)

“HARRY POTTER...” (continued from page 2)  
 interview. “People should be praising them for that! These books guide children to an understanding that the weak, idiotic Son of God is a living hoax who will be humiliated when the rain of fire comes... while we, his faithful servants, laugh and cavort in victory.”

My hope is that you will see fit to become involved in getting the word out about this garbage. Please forward to every pastor, teacher, and parent you know. This author has now published FOUR BOOKS in less than two years of this ‘encyclopedia of Satanism’ and is surely going to write more. I also ask all Christians to please pray for this lost woman’s soul.

Pray also for the Holy Spirit to work in the young minds of those who are reading this garbage that they may be delivered from its harm.

Lastly, pray for all parents to grow closer to their children, and that a bond of sharing thoughts and spiritual intimacy will grow between them.”

### Testimonials of the LORD JESUS CHRIST

There are many testimonies of the LORD JESUS CHRIST in the Bible and many not recorded in the Bible. The following are just three brief examples:

- ★ **“And Simon Peter answered and said, Thou art the Christ, the Son of the living God.” Matthew 16:16**
- ★ **“Come, see a man, which told me all things that ever I did: is not this the Christ?” John 4:29**
- ★ **“And Thomas answered and said unto him, My Lord and my God.” John 20:28**

#### Brief Testimonial of Salvation of Rex Savage, Jr.

In 1978 at age 8 I made a profession (profession only, not possession) at a VBS when another young boy thinking about walking the aisle in the invitation asked me if I wanted to go. I did not understand nor feel convicted at heart. This had no part in my salvation. I simply included this to say that, at that time, I only went through some motions as I sadly suppose many have today.

But a year or so later, there was a clear difference than before, as under sound Bible preaching at Liberty Baptist Church there was clear conviction of the Holy Spirit. That night, I was not in a church service but at home, but the preaching seeds of the Word of God had been planted and old-fashioned Gospel songs had been troubling my heart. I was troubled that, if the Lord came back then, I was not saved and would not go to

Heaven. The clear and strong reminder of the Holy Spirit was that the Lord could come back at any moment and that I had not been saved yet.

So troubled I was as I lay there in bed and I heard something in the sky (it might have been a jet --- you might laugh?) but I seriously got out of bed and went to my dad and mom. I told them my concern and they showed me from the Bible how to be saved. I do not remember my exact words, but I remember being on my knees and that I believed the Lord Jesus could save me and I asked Him to. He saved me then and there, and I do not remember since then ever being troubled again about where I'll go when the Lord comes. The reason why is because it is settled to Him, and He has given me everlasting peace about His everlasting life. Praise the LORD!!! The old devil would like very much for that to be questionable, but in the Lord's eyes this is not questionable. There remains nothing for God to trouble me about in this respect because He sees the blood of Jesus Christ applied to me.

So the reason I know I am saved is because I have the promises of the Bible such as Romans 10:9 “That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.”

## **Why I Am Leaving Southern Baptists** By Bill Servati

Last week I stood in the pulpit of Twin Oak Baptist Church and informed the congregation that I no longer consider myself a Southern Baptist! I also stated that when I leave I would only go to an independent Baptist church with no ties to any denomination. I love these people where I now serve as pastor and they love me. This is not an easy or rash decision.

Fifteen years ago I was ready to leave the Southern Baptist Convention mainly because of the liberal modernistic leadership. I postponed my leaving because I bought the line that we conservatives need to stay and reclaim the SBC. Now the so-called conservatives are in control. Still the SBC has not changed. The only difference I can see is that the top SBC positions, which command large mission draining salaries, are now in the hands of conservatives instead of liberals!

For two years I have struggled in and with the South Canadian Baptist Association. 26 local churches gave to the SCBA \$100,000.00 for "missions." SCBA is typical of many SBC associations. 75% of this money is used for salaries and building upkeep. The remaining 25% are eaten up with spending on new equipment replacing machinery that was still in good working order. TOBC board member Tommie Rammage and myself cautioned that we were wasting the Lord's monies to no avail.

TOBC gave over \$6,500.00 to the Cooperative Program and the SCBA. I led the church to do missions in the biblical method. We began to send support directly to missionaries and ministries not funded by the SBC. This year a total of \$900.00 goes from our church to SBC and SCBA causes. This was a major step for Twin Oak. The majority of our country church dislikes the way monies are used and dislike the SBC structure – still their desire is to remain a Southern Baptist Church?

At the FBC of Seminole all SCBA pastors were invited to a noon day meal. Prior to the

meal we were to meet with Dr. Anthony Jordan. Jordan is the Executive Secretary Treasurer of the General Baptist Convention of Oklahoma. After a period of time spent reassuring us that the Convention and Association were servants of the church, Jordan asked if we had any questions. I stated that I had a question I would like answered. "Anthony, would you please tell me as our servant what is the salary we pay you each year?" Jordan told me in front of the other pastors that he was not at liberty to say. He suggested I go to Oklahoma City to the Baptist Building and talk to the Comptroller. He would give me a range of salaries but not a single persons wage. Jordan also stated that what I would learn was not for publication. I informed him I was not interested in taking a Masonic oath all I wanted to know was what we were paying our servant?

I looked at the other pastors present and I questioned their silence. Only one spoke out, he said he didn't care what we paid our denominational employees. I also asked "Dr. J." "How much of the Cooperative Program dollar reaches the mission field?" I received a song and dance about all the employees in the Baptist Building in Oklahoma City was missionaries. I told the group "I realize that it is very difficult to raise funds for administration. Call administration MISSIONS and Baptist people will give money. This is deceptive." I went on "I believe that we as Southern Baptist have built a hierarchy that rivals Catholicism!" All in the room were uneasy and the pastor at FBC changed the subject.

### **To My Fellow Southern Baptist**

I know that many Southern Baptist read The Sword of the Lord, this is why I now write to this paper. I would like to use a title from a John R. Rice book. WAKE UP SOUTHERN BAPTIST! Southern Baptist I would like for (continued on page 6)

Now I sit me down in school  
 Where praying is against the rule  
 For this great nation under God  
 Finds mention of Him very odd.

If Scripture now the class recites,  
 It violates the Bill of Rights.  
 And anytime my head I bow  
 Becomes a Federal matter now.

Our hair can be purple, orange or green,  
 That's no offense; it's a freedom scene.  
 The law is specific, the law is precise.  
 Prayers spoken aloud are a serious vise.

For praying in a public hall  
 Might offend someone with no faith at all  
 In silence alone we must meditate,  
 God's name is prohibited by the state.

We're allowed to cuss and dress like freaks,  
 And pierce our noses, tongues and cheeks.  
 They've outlawed guns, but FIRST the  
 Bible  
 To quote the Good Book makes me liable.

We can elect a pregnant Senior Queen,  
 And the 'unwed daddy,' our Senior King.  
 It's "inappropriate" to teach right from  
 wrong,

We're taught that such "judgments" do not  
 belong.

We can get our condoms and birth controls,  
 Study witchcraft, vampires and totem  
 poles.  
 But the Ten Commandments are not  
 allowed,  
 No word of God must reach this crowd.

It's scary here I must confess,  
 When chaos reigns the school's a mess.  
 So, Lord, this silent plea I make:  
 Should I be shot; My soul please take!

Amen

**New TV Network About Homos.**  
 MTV has announced that they are beginning a cable TV network to push the homosexual lifestyle. The new network will be advertiser-supported and will be offered as part of the "basic" package by cable networks. You will be forced to pay for it whether you want it or not. MTV plans to really promote the network. "we have big plans and hopes for LOGO (the new homosexual network)," said Tom Preston, CEO of MTV networks. MTV is owned by Viacom, which also owns CBS, Showtime, VH1, Comedy Central, and TV Land. The selection of LOGO as the name of the homosexual network is an apparent attempt to play on the Greek word "logos" which is used in Scripture to identify Christ (John 1:1-14).

**"Why I Am Leaving..."**(continued from page 5)  
 you to answer these questions honestly.

\*Do you know that the Bible speaks only of local New Testament Churches?

\*Do you know that associations and conventions is man made and not found in the Bible?

\*Do you know that the Cooperative Program is a golden calf erected in 1925 usurping the local church from sending mission funds directly to (continued on page 7)

**“Why I Am Leaving...”**(continued from page 6) missionaries?

\*Do you know the New Testament method of doing direct missions cuts out the mission draining hierarchy?

\*Do you know if you lead your church to lower CP funds you will be blackballed and considered “not a true Southern Baptist”?

\*Do you know that a foreign or home mission board is not found in the Bible?

\*Do you know that churches, which give weekly to the CP that their monies, are kept for a month and the interest earned, doesn’t go for missions but into a slush fund to be spent on non-mission use?

\*Do you know the unbiblical position in the SBC hierarchy is called a Director of Missions (DOM)? They used to work out of their local church and their office was their cars. In the 80s Associations began to build Association Headquarters adding more drain on mission monies.

\*Do you know that there are 42 Associations in Oklahoma? 42 mini headquarters, which create a major drain on monies, sent in good faith by local churches to do missions only to be eaten up by administration, salaries and building maintenance. Multiply that by other State Conventions to get a glimpse of the great missions rip off.

\*Do you know that a pastor or church member can not know or find out what their “servants” are being paid which work in the State Southern Baptist Convention?

\*Do you know that Directors of Missions and State Denominational servants interfere with local churches by blackballing pastors?

\*Do you know that the State Conventions and Southern Baptist Convention is more concerned for money than they are for doctrinal purity?

\*Do you know in Southern Baptist ranks if a church ordains women or homosexuals or speaks in tongues and an association refuses to seat their messengers that your State Con-

vention and Southern Baptist Convention will accept monies from these disciplined churches and list them as “Other Baptist Churches”?

Dear Southern Baptist if you know these things how on earth do you remain a part of the Southern Baptist hierarchy?

Liberalism is now ripping up Texas and there are now two Southern Baptist State conventions. The problem is not modernism versus conservatism. Fifteen years ago I bought this bill of goods, never again.

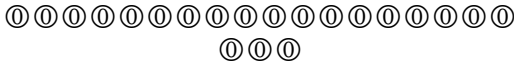

The problem is both groups are dedicated to a wrong infrastructure an extra biblical hierarchy that robs the money given by the local church for mission work. Doctrine is not the real issue, power, control, high paying positions and the almighty dollar is the cause for the war in the SBC. Both camps are wrong and will remain wrong as long as the man made monster of conventions, and boards of directors stays alive.

In conclusion, I love the people I serve at Twin Oak but I can no longer stay in a church that gives one red cent to this unscriptural hierarchy called Southern Baptist. I have experienced interference from these so-called servants of the church. I have been told so much that I was not a true Southern Baptist for so long that I now believe it. I am an independent Baptist! I am sorry that it took me this long to learn this fact.

One Southern Baptist pastor friend told me I would never be accepted or trusted by Independents. This may be true but I have not been accepted or trusted by those in the hierarchy of the SBC. At least I will not be feeding a monster that has been created by a man. I am a child of God by the new birth and an independent Baptist by choice not chance!

Thank you,

**WHICH CHURCH SHOULD I ATTEND?**

*(The purpose of this column is to give the facts about true churches of the Lord and facts about the Devil's counterfeit "churches". Check this column in each issue of FBT to see the Scripture proofs given of what kind of church God wants us to go to.)*

We the people of Faith Baptist Church deeply appreciate the missionaries we send and support through this church. We have a missionary sent by this church as an AVIATION MISSIONARY and we appreciate this very much. The other missionaries we support are sent out of churches of like faith and order as we, and we get to support them in our earnest prayers, financial giving, etc.

Below is our Scripture proof for this:  
Matthew 28:18-20 **"And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. A-men."**

Also, thus far in September, there are three new families that have joined Faith Baptist Church. We praise the Lord for the people He adds to this church!

Visitors Welcome!

**CHURCH PLANTING**

Faith Baptist Church is endeavoring to be a church-planting church. Pastor Watt has continuously instilled the importance of this in the members of Faith from the Word of God.

The Lord started His church while He was here on earth and left it with important work to do. This work includes telling people about His ability to save their souls, then after salvation to scripturally baptize them. Also, the Lord wants them to be very faithful to a local church of His that they can attend—not to somehow keep themselves saved, the Lord keeps that, but to attend simply because they love the Lord and want to live for Him and obey Him.

For this reason it's easy to see the need for scripturally started churches in towns and cities across the world. Faith Baptist Church is a product of this exact process, produced by Faith Baptist Church of Spokane, MO.
